

# Selected Chapters of Temiskaming Heritage 2017

**Dr. John Pollock** presented *Archaeological Sites in the Historic Cobalt Mining Camp-Update 2017* describing the archaeological assessment work undertaken from 2005 to present that has documented more than 100 key archaeological sites in the Cobalt area.

**Norm Hawirko** presented *A 3D Digital Model Study of Cobalt's Historic Townsite Headframe*. Three-dimensional model of the Townsite head frame, developed from aerial mapping drone flights that Dan Larocque took last year. The historic 1916 insurance map was overlaid over the map portion for a fresh perspective on the Townsite history.

**George Lefebvre** presented *The Darby Mine, Thomas Edison's Latchford Venture* updating the information on the Darby Mine and Thomas Edison's connection to the Temiskaming area.

**Siobhan Angus** presented *Disruptive Visualities: Reading Photographs from the Early Cobalt Mining Camp* describing how 'displaced histories' can be recovered through a close reading of photographs, whether they were preserved intentionally or accidentally.

**Bruce W. Taylor** presented *Challenges of Researching the Life of Stephen Lafraicain* describing the difficulties of finding genealogical data on the Stephen Lafraicain during the early years of his life, and on his service during the U.S. Civil War.

Simply fill out this order form, or a copy of it, and mail it together with a cheque or money order for the appropriate amount made out to: **Cobalt Historical Society**.  
If you can pick up your copy (copies) at the book store in Cobalt  
(50 Silver Street—the old Coniagas #4 Shaft House),  
then do not add shipping. CHS does not collect HST, so don't add that either.
